

REMARKS/ARGUMENTS

In an Examiner's Amendment accompanying the Notice of Allowance of February 17, 2010, a parenthetical clause was included at the end of each claim. Even though it is apparent that the clause should not form a part of each claim, under an abundance of caution Applicants provide this Rule 312 Amendment to delete each parenthetical clause. Applicants submit that entry of this amendment is proper.

Respectfully submitted,

February 25, 2010
